THE MEDALLION FUND

About the Program
The Medallion Fund was created by local business people who recognize that a skilled workforce is critical for expanding economic development. Most recently, Eastern Bank has contributed a significant amount that will enable many more awards to be made over the next three years. The goal of the Fund is to assist individuals interested in attending accredited vocational or technical programs to improve their workforce skills, especially in high need occupations in the New Hampshire.

Who Should Apply
The Medallion Fund provides scholarships to individuals of any age who are enrolling in any accredited vocational or technical program that will help them be more employable. Students currently enrolled in a BA or other advanced degree programs are not eligible.

A candidate might be planning to attend a community college, vocational school, trade school, apprenticeship or other short-term training program in fields such as automotive technology, plumbing, heating, construction, advanced manufacturing, computer repair, etc.

The Medallion Fund gives preference to applicants who:
- Are pursuing traditional manufacturing trade fields such as plumbing, electrical, construction, machining, or other high need occupation;
- Have a clear vision for how their education will help them achieve their employment and career goals;
- Have had little or no other educational or training opportunities;
- Have made a financial commitment to their educational program.

Qualifications
The Medallion Fund is interested in supporting individuals who:
- Have the drive to set and complete their training goals;
- Demonstrate competency in and a commitment to their chosen field of study;
- Are a legal resident of New Hampshire.

What You Will Need to Apply
- A history of your employment;
- Grades from any previous training done within the past 5 years.

When to Apply
There is no deadline for application to the Medallion Fund. Applications are accepted at any time during the year. Decisions are made every four to six weeks. Applicants are notified of decisions via regular mail.

Awards
This is a competitive program. There are not sufficient funds to award all applicants. Typically we make awards to 50% of those who apply.

How awards are paid
If you receive an award, you can expect an award check to be sent to you within two weeks after receiving your award letter. Most often your award check will be made co-payable to you and to the training program you plan to attend.

COST OF EDUCATION & HOW YOU PLAN TO PAY FOR IT

Medallion awards are rarely made to cover the full cost of an education program. We expect applicants to contribute financially toward the cost of their educational program. In addition, we expect applicants to apply for Federal or State financial aid (if your education program qualifies for funding). To be eligible for Federal aid programs, you will need to complete the Free Application for Federal Student Aid at www.fafsa.ed.gov.

We need some basic information about the cost of your educational program and any aid that you may be receiving. To complete the following section you’ll need to look up cost information for the school or program you plan to attend. Having a calculator will be helpful.

Note: If you need help with this section, please call the Student Aid Office at 1-800-464-6641 ext. #2 or email studentdocs@nhcf.org
