

Donor-advised fund

CHOOSE WHICH NONPROFIT ORGANIZATIONS TO SUPPORT AND WHEN

A donor-advised fund organizes all of your giving through one expertly managed and cost-effective vehicle. You choose which organizations to support, how much to distribute, and when. If you want ideas and advice, our Community Impact Team will provide them.

A donor-advised fund is the right fund for you if you want to:

- Remain actively involved in your giving while we take care of the administration. A donor-advised fund can be a more cost-effective alternative to a private foundation.
- Recommend grants to any qualified nonprofit organization in the United States and in most countries abroad.
- Rely on our staff to help connect you with great organizations — making it easy and effective for you to support the causes you care about most.
- Involve your family members in your philanthropy.
- Designate your children, family members or others as advisors to your fund so they can recommend grants now or in the future.
- Make additional tax-deductible gifts of any amount into your fund at any time. You can also invite others to contribute to your fund.
- Choose how you want your charitable gift invested, with returns going back into the fund for future grantmaking.
- Be acknowledged for your contributions to organizations or choose to give anonymously.
- Go online to recommend grants, see your giving history, and learn about great giving opportunities.

The minimum contribution to establish a donor-advised fund is \$25,000.
