

Field-of-interest fund

SUPPORT THE CAUSES OR COMMUNITIES THAT YOU CARE ABOUT MOST

Want to support organizations in your town or region? Or perhaps you are especially passionate about the environment, the arts, or children's health. With a field-of-interest fund, the Foundation will make grants only to organizations that meet your criteria — now and for generations to come.

A field-of-interest fund is the right fund for you if you want to:

- Focus your charitable resources on your local community or region, to a specific population — such as children or seniors — or to a causes that matters to you, like health care or the arts.
- Ensure that your resources will continue to serve your interest areas in perpetuity, even as community needs and nonprofit organizations change and evolve.
- Rely on the Foundation's expertise to direct funds to the most effective organizations working on the causes and in the regions you care about.
- Have your fund's name included in grant award letters or choose to give anonymously.
- Make additional tax-deductible gifts of any amount into your fund at any time. You can also invite others to contribute to your fund.
- Choose how you want your charitable gift invested, with returns going back into the fund for future grantmaking.

Each year, grant distributions will be made from the fund using the Foundation's charitable disbursement rate.

The minimum contribution to establish a field-of-interest fund is \$10,000.
