The Neil and Louise Tillotson Fund of the New Hampshire Charitable Foundation is pleased to announce a call for committee members for the 2022/2023 Empower Coös Youth Grants Program.

The Tillotson Fund's Empower Coös Youth Grants Program gives high school students the opportunity to help strengthen their communities, support local nonprofit organizations, deepen their connection to place and develop leadership skills.

At the core of the program is a grantmaking committee comprised of area high school students. Committee members serve for up to two years and are responsible for making grant recommendations on applications submitted to the Empower Coös Youth Grants Program.
