About the New Hampshire Charitable Foundation

The New Hampshire Charitable Foundation is New Hampshire's statewide community foundation, founded in 1962 by and for the people of New Hampshire.

We are the place where generosity meets the dedication and ingenuity of nonprofits and the potential of New Hampshire students. For six decades, thousands of people have entrusted their charitable resources to the Foundation, creating a perpetual source of philanthropic capital and making it possible for the Foundation to award more than \$60 million in grants and scholarships every year. We have a staff of 54 passionate and dedicated professionals working across the state, and are governed by a highly engaged Board of Directors.

The Foundation's purpose is to make New Hampshire a more just, sustainable and vibrant community where everyone can thrive. Our current strategic plan, *Together We Thrive*, is focused on advancing equity, racial justice, and economic security. That's because when a community can draw on the potential, strength, ingenuity and grace of every person in it, that community will be healthier, happier, more prosperous and a better place to live for all.
